a NURSE**

Explanation Of Services

The Promesa Home Care team works with your doctor to give you the health care that's right for you. Our team includes:

NURSES

Work with your doctor to provide home care services, their assessment, skilled treatment and support to provide the high quality care you need to recover at home.

HOME HEALTH AIDES

Assist with activities such as bathing, dressing, meal prep, laundry, etc.

PHYSICAL THERAPIST

Assists patients to restore function, improve mobility, relieve pain, and prevent or limit permanent physical disabilities of patients suffering.

OCCUPATIONAL THERAPIST

Help patients improve their ability to perform task in daily living and working environments.

SPEECH THERAPISTS

Assist patients who cannot produce sounds, or cannot produce them clearly, those with speech rhythm and fluency problems, such as stuttering; people with voices disorders.

MEDICAL SOCIAL WORKERS

Assist people the best way can function in their environment, deal with their relationships, and solve personal / family problems. And in linking them to community resources.

CAREGIVER SERVICES

Caregivers as companions will provide assistance with personal care & hygiene, light housekeeping, grocery shopping, medication reminders, play cards & games or read to the individuals.

Our agency provides a variety of services to help you recover and regain your independence.

Part of that goal is to help you learn about your disease process, medications, potential complications, and the importance of you being involved in your own health care.
